

# 2350 Words to Reach B2

New goal. New power. Keep moving.

# HOW TO USE THIS BOOK AND LEVEL UP TO B2

## Welcome!

This book helps you master 2350 Russian words with powerful visuals and real-life context.

No grammar drills. No clutter.  
Just clear meaning.

- A Russian word (with stress)
- A precise English translation
- A vivid, memorable illustration

That's it — focused, intuitive, and built for progress.

# Audio, Tests & Apps

## Audio Included

Every word comes with slow, clear audio. Listen. Repeat. Remember.

## Tests to Practice

After each topic, tap the button “QUIZ” to take a quick 4-option test. Practice instantly on our website.

## Before You Start

Use ReadEra if links don't open in your viewer.

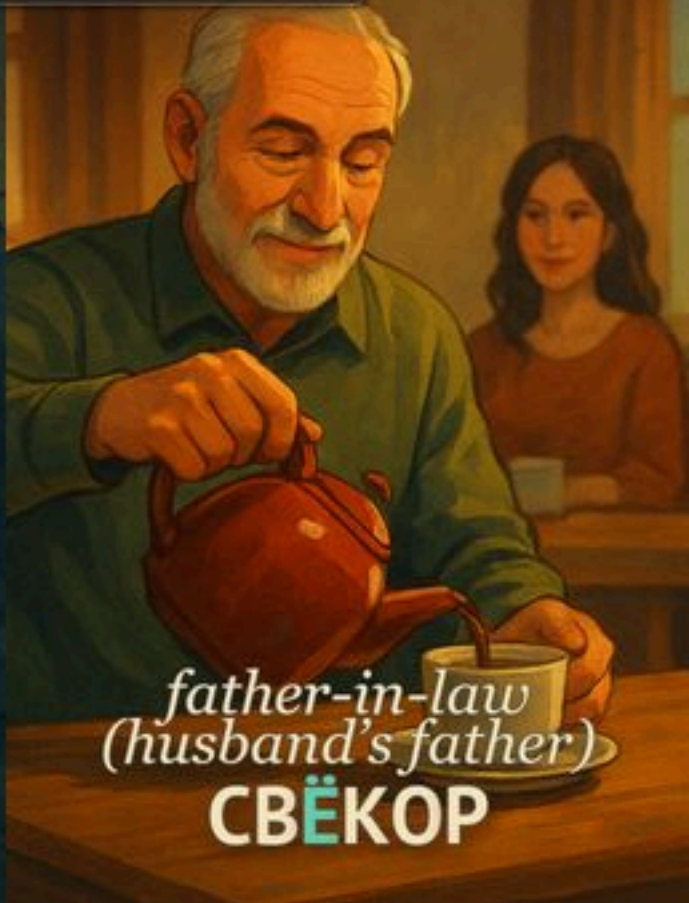

You're about to master 2350 powerful Russian words – precise, advanced, and ready for real use. Let's go! Поехали!
